

Campbell Macpherson: The Change Catalyst

Author of the 2018 Business Book of the Year.

Campbell is an international business adviser, sought-after public speaker, adjunct faculty member of Henley Business School and author of 'The Change Catalyst' (Wiley 2017) - winner of the best leadership book and '2018 Business Book of the Year' at the 2018 Business Book Awards in London.

Campbell has been enabling CEOs and leadership teams to clarify their strategy, build cultures that embrace change and align their people to deliver for more than 25 years in Australia, UK, Europe, US, Asia and the Middle East – as an executive, board director, internal change leader, consultant and in-house adviser. He has been a multimedia entrepreneur and even flew jets, badly, in the Royal Australian Air Force.

He has helped organisations of all shapes and sizes from major multinationals, large Sovereign Wealth Funds and institutional investors to family businesses, tech firms, retailers and travel companies.

He has delivered motivational keynotes and engaging 'Power of Change' workshops across the globe including London, New York, Palm Springs, Liverpool, Las Vegas, Singapore, Fiji, Nice and Marrakesh. More details and videos can be found at www.changeandstrategy.com/speaking/.

88% of change initiatives fail. It's the same story for business strategies, mergers and acquisitions. Campbell gives leaders the insight, motivation and ability to be among the 1 in 8 that succeeds.

Only your people can deliver your strategy.

Only your people can deliver the strategy your business needs.

Keynote topics include:

- Leading change in the age of AI
- The Power of Change
- Mission Impossible: leading change in successful companies
- Change is inevitable; successful change isn't
- Why 88% of change initiatives fail
- The future of work / The rise of the machines
- The psychology of change
- "Culture is everything"
- What does a genuine long term investor look like?
- What does a good strategy look like?
- Ensure your next M&A is the 1 in 10 that succeeds
- A Change Catalyst: The secret weapon to successful and sustainable change
